5,5	2	2,50%	100,0%
Total	79	100,0%	

Grading table

The grading table above shows the distribution of all valid grades obtained by students of the concerning incoming exchange degree programmes during minimal three academic years. Only valid grades for which credits have been obtained are included.

Credit system

As a general rule the passing grade is 5.5 and above. Grades can also be given as Pass/Fail in some courses.
